

About CCSL - Cricket Card Strategy League

Welcome to CCSL: Where Strategy Meets Cricket

CCSL (Cricket Card Strategy League) is a unique card-based cricket game that combines the thrill of cricket with strategic decision-making. Players take on the roles of batsmen and bowlers, using skill, tactics, and a bit of luck to outplay their opponents. Whether you're a cricket enthusiast or a fan of strategy games, CCSL offers fast-paced, engaging matches with deep tactical depth.

Game Features

Dynamic Card Battles

- Play as a batsman or bowler in head-to-head duels.
- Use strategic card plays (0, 1, 2, 3, 4, 6) to score runs or take wickets.
- Simultaneous turns keep the gameplay intense and unpredictable.

Power Cards and Special Moves

- Power Cards (4 & 6): Limited-use high-scoring plays with restrictions.
- Hidden Card: Conceal your move and challenge the bowler to guess it.
- Run Streak Bonus: Score runs in four consecutive turns to double your next run.
- Strategic Pass: Skip a turn to avoid getting out, but use it wisely.

Bowling Tactics and Defenses

- No Ball & Free Hit: Penalize bowlers for repeating cards and capitalize on free hits.
- Trap Mode: Set card traps to instantly dismiss the batsman.
- Defense Mode: Reduce the batsman's power hits for three consecutive balls.
- Field Shift Bonus: Force the batsman to play only even-numbered cards for three turns.

Multiple Game Formats

- 1 Over (6 turns): Quick and intense matches.
- Multi-Over (2-3 overs or more): Extended strategic battles.
- Super Over Tiebreaker: A sudden-death showdown for tied games.

Why Play CCSL?

- Fast-paced and strategic, with every decision impacting the outcome.
- Easy to learn but challenging to master, with layers of tactics.
- Unpredictable and fun, featuring bluffing and mind games.
- Perfect for cricket fans and card game lovers alike.
